### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Matthew Beaudet on 02/02/2006.

The application has been amended as follows: Please **cancel** Claims 69-77 and 87-117.

2. The following is an examiner's statement of reasons for allowance:

The instant claims are allowed for the reason that the cited prior art does not teach or fairly suggest the presently claimed method for screening a first repertoire of members against a second repertoire of members with the step of arranging the first repertoire of members in at least one first series of continuous lines and arranging the second repertoires of members in at least one second series of continuous lines, wherein a plurality of said first series of continuous lines intersects with a plurality of said second series of continuous lines.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
